

5x5 Mbps Ethernet Only \$289/mo.

Free Installation, Equipment, & Proactive Monitoring

Special Offer

For maximum connectivity at a minimum cost, there's no greater value than MegaPath Business Ethernet. With predictable and fast upload and download speeds, Business Ethernet is a superior choice for symmetrical business-class bandwidth with speeds up to 1 Gbps. Business Ethernet is extremely reliable and shares the same business-class SLAs as a T1 line, but offers higher bandwidths at a lower cost.

Affordable Pricing Plans

Ethernet Speed	Prices As Low As
3x3 Mbps	\$229/mo.
5x5 Mbps	\$289/mo.
10x10 Mbps	\$399/mo.
20x20 Mbps	\$699/mo.

Additional speeds available. Call for pricing.

Upgrade to MegaPath High-Speed Ethernet

Lowest Price.

If you find a lower price for your Ethernet service, we will work with you to match it. Free installation and equipment make the savings add up.

Reliability.

99.99% guaranteed uptime. Get constant monitoring and faster resolution with free Proactive Monitoring. Service guarantees cover installation, availability, and repair.

Speeds.

More symmetric Ethernet speeds available, up to 1x1 Gbps. Call for pricing.

Risk-Free

You may cancel your service for any reason within the first 30 days and receive your money back with no early termination fees. See *Terms*.

Terms and Conditions:

Pricing and promotions subject to location, availability and contract terms. Discounted Ethernet offer is good with the purchase of MegaPath Ethernet service in conjunction with a minimum of ten (10) MegaPath Hosted Voice Seats. Price reflected is for a three (3) year contract term only. Free installation and equipment offer is only applicable for the Ethernet service – installation and equipment fees for Voice services may apply. All provided equipment remains the property of MegaPath. All listed charges are exclusive of taxes, fees and other assessments. Offer valid for new customers only. Offer may not be combined with any other promotion or pricing offer. Price match is for the monthly recurring costs for Ethernet services in MegaPath's core coverage area only. Customer must present a valid quote from another service provider dated within the promotion period showing all pricing aspects for the same access service. MegaPath reserves the right to refuse to match a price at its discretion. Free Proactive Monitoring only available when purchased with MegaPath T1 or Symmetric Ethernet access circuit on a 1-, 2-, or 3-year term. Promotion expires on June 30, 2017. MegaPath reserves the right to modify or cancel this program at any time. Early Termination Fees and additional Hardware Fees may apply. Additional restrictions and other conditions apply. For the purpose of this limited promotional offer, the 30-day Satisfaction Guarantee will apply only to Ethernet speeds in MegaPath's Core Service Area. All services are subject to [MegaPath's Corporate Policies](#).
